Detailed review summary of the war diaries by jean

The title of this book is a little misleading, for the entries date from 1939-40, before the war in France really heated up. Sartre saw no action during this period

Amazon.com: war diaries sartre (9780394744223):

This wasn't a bad book, but I think it's probably the least telling about Sartre's project for a couple of reasons, the first of which being that the name is misleading.
